Taps, Toilets & Showers

Including blocked & leaking sinks, baths, shower waste and shower pumps.

We will change cartridges in the first instance, if a replacement cartridge is not available, we will change the part if a like-for-like replacement part is available. If a new part is required we will assess the accessibility of the item to be replaced to effect a repair. Maximum individual item replacement is limited to £250inc. VAT. In circumstances where re-decoration or replacement of fittings (for example filling) is required after a replacement has been fitted or a repair has been made, the cost of re-decoration and / or fittings will be the responsibility of the customer.

Eligibility

The **Ambien Heating Specialists Maintenance Care Plan** is only available for Gas, L.P.G. and Oil Boilers from a reputable manufacturer. This enables us to keep our costs permanently low.

† Some limitations and exclusions apply. Please refer to our **Terms and Conditions** for full details. Subject to continuing payment of your monthly fees.

* Offer starts from the installation date of your current boiler. Cost saving represents the typical replacement cost of a boiler.

* Same day call out if call placed before 9am.
