Simply complete the form overleaf and return it in the post-paid envelope along with your System Maintenance Care-plan application form and we'll do the rest. If you are already registered on our Systems Maintenance Care Plan, you just need to quote your Customer reference number to add-on this top-up cover.

*PLEASE NOTE: We will change cartridges in the first instance , if a replacement cartridge is not available, we will change the part if a like-for-like replacement part is available. If a new part is required we will assess the accessibility of the item to be replaced to effect a repair. Maximum individual item replacement is limited to £250inc. VAT. In circumstances where re-decoration or replacement of fittings (for example tiling) is required after a replacement has been fitted or a repair has been made, the cost of redecoration and / or fittings will be the responsibility of the customer.
